*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

This book became a best-seller in Russia, was reprinted several times and changed the worldview of thousands of people. This is the first book in the history of mankind revealing the whole truth about horse and man relationships. A new era is coming, an era of mutual understanding between horses and men. Now every horseman's life is divided into two parts: before and after *The Horse Crucified and Risen*. Nevzorov let them see in a different light what was treated as a norm for centuries. He pointed out the only true way to establish a relationship between horse and rider: a way without violence, a path which horse and rider would follow together. He gave everyone a chance to decide what position to take and to join those whose grandchildren will look into horses' eyes without any shame. Alexander Nevzorov, being a revolutionary and a brilliant thinker was one of a few people who understood the core of equestrian sport and was not afraid of calling things aloud by their names. He was the first and the only to tell everyone what equestrian sport really consists of: . . . equestrian sport by nature can't be even defined as a sport. Yes, any sport includes records and victories, but these records and victories are gained by one's own sweat and blood, by one's own pains and efforts. And equestrian sport (if we study the issue) represents parasitizing on physical abilities of another living being which does not want to be engaged in this sport but forced to it by pain and beating. So why the hell we call it a sport? A. Nevzorov *The Horse Crucified and Risen* The book reveals...
