By Steve Walter Lee

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Steve Jobs has attracted millions of people throughout his storied career. There s a tangible sense among the general public that we never fully knew the real man behind the legend. The recent book on Steve Jobs written by Walter Isaacson had aroused much passion and echo in our hearts regarding the legacy of Steve Jobs. In November, this has become the best book in Amazon. Here is the Review by Chris Schlupe It is difficult to read the opening pages of Walter Isaacson s Steve Jobs without feeling melancholic. Jobs retired at the end of August and died about six weeks later. Now, just weeks after his death, you can open the book that bears his name and read about his youth, his promise, and his relentless press to succeed. But the initial sadness in starting the book is soon replaced by something else, which is the intensity of the read--mirroring the intensity of Jobs s focus and vision for his products. Few in history have transformed their time like Steve Jobs, and one...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
