Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Delacorte Press, United States, 2015. Hardback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book. NEW YORK TIMES BESTSELLER Handsome, widowed, sophisticated, utterly charming, Paul Parker won the heart of a wealthy young Frenchwoman the daughter of an American financier, the granddaughter of a major French art dealer as his second wife. In two marriages, he fathered a challenging son and three very different daughters. But as irresponsible as he was irresistible, he ultimately shrugged off the demands of marriage and parenting to pursue life as an international bon vivant. Raised by their mother with all the care and resolve their father lacked, the three Parker sisters have become vibrant, self-reliant young women: Timmie, the oldest, a fiercely dedicated social worker in New York; sweet, nurturing Juliette, proprietor of a fledgling bakery in Brooklyn; and their younger sister, Joy, who is struggling to build an acting career in Los Angeles. While they love their mostly absent, glamorous father, he has left them with a legacy of impermanence and uncertainty in their own relationships with men. And with no strong role model to guide him, Paul s son has gone from one failure to another, even while his stepmother makes excuses for him, as he seethes with jealousy of his younger sisters. Now, after a long illness, Paul has slipped away peacefully in his sleep, and his family has gathered together to read his will. As his final wishes are revealed, his son is forced to face reality as an adult. And his daughters see a new side to their father one that shows a caring man trying to redeem himself with a different, lasting legacy. He has made a very personal bequest to each of his children, carefully designed to help them achieve their own unique...
