F.A. Davis Company, United States, 2011. Mixed media product. Book Condition: New. 277 x 211 mm. Language: English . Brand New Book. Be prepared for classroom, clerkship exams, PANCE, PANRE, and recertification! Are you feeling overwhelmed by the seemingly huge amount of information you need to master? Turn to this integrated learning system designed by PA educators for PA students and practicing PAs. Together the book, our Personal Professor Interactive Software on CD-ROM, and other resources online at DavisPlus guarantee* your success! Your choice of two courses of study prepare you for your end-of-rotation exams as well as for the PANCE or PANRE. The Body System approach, based on the NCCPA Content Blueprint for PANCE and PANRE, lets you study more than 500 diseases and disorders--every one covered in the Blueprint. This approach is best used during the classroom phase of our PA education and while studying for the PANCE or PANRE. The Clerkship approach, based on the clerkship exam, covers primary care medicine topics you ll encounter while on clerkship or clinical rotations. It s best used to prepare for end-of-rotation exams or the PANCE. Personal Professor Interactive Software (Click here for a demo of the Personal Professor CD-ROM.) Select a topic. Take the pre-study quiz on the topic in the text and enter your score in the Personal Professor software. Create your own notes in the software by following the outline template based on the Content Blueprint. Compare your notes to the authors high-impact notes to assess your mastery of every disease and disorder, and then revise your notes as necessary. (Save and print them for review!) Use the built-in calendar to help you count down to your targeted study completion date. Take a post-study quiz on the topic. Review your quiz results; check your answers against the...
