PARABLES OF MILK AND MIGHT: DEVELOPMENT POLITICAL SATIRE - THE VOICES OF THE AFFECTED

PARABLES OF MILK
AND MIGHT Development Political Satire

>> The Voices of the Affected <<

Following over four decades of development politics, after the official end of colonialism in most countries in Africa, South America, and Asia, it is difficult for the industrial countries to forgo their economic interests in the developing countries, which are said to be independent. Their continued presence in these countries, controlling or dictating the trend of economic and political developments, is proof of the protection of their interests. Parables of Milk and Might is a satire on the international development sector, in particular, the relationship between the countries of the Global North and South. The book uses a wonderful combination of wordplay, metaphor, and humorous storytelling to get its message across.

Reviews

Complete manual! Its such a great study. We have read through and so i am confident that i am going to go through once again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
