This expository work, by renowned spiritual adept Charles W. Leadbeater and first published in 1912, is a succinct, practical description of the movement, which is, at its base, a study of Truth. Leadbeater, having been thoroughly educated within a number of schools of religious thought, is a uniquely qualified guide who leads the reader through the challenging field of Theosophy, with but one goal in mind: To serve humanity by showing all students the way to be one with the divine energy of God. English clergyman turned spiritualist CHARLES WEBSTER LEADBEATER (1854-1934) was ordained as an Anglican priest, but later joined the prominent Theosophical Society and traveled to India to study alternative spiritual and occult practices, eventually settling into his life as a clairvoyant and author. His other works include Man Visible and Invisible and The Science of the Sacrament.
