What do you think of the threat I dont think the regional organizations The U. S. have attempted to play a role. For exam-to world security as a result of Q ple, the OAU (Organization of African reprocessing of spent the should assume Unity) is moribund. They cant agree nuclear fuels, extracting weapon-grade a major part plutonium Specifically, what do you they should play a major part in Somalia. think of Japans current practice of ship-I dont believe the people of the United of the States are going to put 25, (X) () people into ping its spent nuclear fuel to France and responsibility another Somalia without the OAU being Britain, where they are reprocessing it, present. keeping the waste, and then sending for the weakness weapon-grade plutonium back to Japan Were going to have to allow a little time for these regional organizations to Can a high-technology nation like that, of regional with the reservoir of plutonium, become be strengthened. In the case of Somalia, organizations for example, the OAU should be encour-a super nuclear power overnight aged to address this issue, to lay down today, as well as Japan can become a super nuclear power some standards of potential intervention. any t i me i t wants to, whether it for the weakness I think the U. S. should assume a reprocesses the plutonium or doesnt, and major part of the responsibility for the of the United I think its about time wc...
