Atlantic Publishing Co, United States, 2011. Paperback. Book Condition: New. 2nd Revised ed.. 229 x 157 mm. Language: English . Brand New Book. In recent years, stock market and traditional investing have proven unstable and not very rewarding as many investors have watched their retirement and personal holding accounts dwindle or even collapse. Banks close, stock markets crash, and returns diminish. Want a safer bet for your hard-earned money? Try private mortgage investing. Private mortgages investing has grown into a multi-billion dollar industry, becoming an important fixed-income vehicle for many investors with their personal funds, equity, and self-directed IRA accounts. Private mortgage investing is not for the get-rich-quick type of person but is proof that good things come to those who wait; you can comfortably double your money every four to six years. This market allows investors to earn substantially higher yields -- while offering the security of real property to back the loan. Whether you are an experienced real estate pro, new to investing, interested in diversifying your portfolio, or simply tired of trusting stockbrokers and fund managers with your money, this book is for you. Private Mortgage Investing offers an alternative to traditional forms of investment. This comprehensive guide provides detailed information on how to put your money to work in a relatively safe investment with a high return of 12 to 15 percent (or more) in most cases, compared to just 2 percent with most banks. Learn to be the bank and take control of your investment destiny. Start with the basics of private mortgage investing, including what exactly it is and how it differs from traditional forms of investment. You will learn how to work with mortgage brokers, how to construct an amortization schedule, and how to discern worthy borrowers from risky investments and protect yourself...
