

Notes from the Underground: AND The Double (Paperback)

By Fyodor Mikhailovich Dostoevsky, Fyodor Dostoyevsky

Penguin Books Ltd, United Kingdom, 1973. Paperback. Book Condition: New. Reprint. 194 x 126 mm. Language: English . Brand New Book. Notes from Underground (1864) is a study of a single character, the real man of the Russian majority , and a revelation of Dostoyevsky s own deepest beliefs. One of his best critics has said of the first part that it forms his most utterly nakedpages. Never afterwards was he so fully and openly to reveal the inmost recesses, unmeant for display, of his heart. The Double (1846) is the nightmarish story of Mr. Golyadkin, a man who is haunted or possessed by his own double. Is Mr. Golyadkinjunior really a double or simply a earful side of his own nature? This uncertainty is what gives urgency and horror to a tale which may be read as a classic study of human breakdown.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
