Reviews

It is really an incredible publication which i actually have possibly read through. It really is written in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

KNOWLEDGE OF THE HIGHER WORLDS

DOWNLOAD

Hardback. Book Condition: New. Not Signed; LIMITED EDITION HARDBACKS TO COMMEMORATE THE 150TH ANNIVERSARY OF RUDOLF STEINER'S BIRTH Rudolf Steiner Press is proud to publish a new series of re-edited, re-typeset and re-designed editions of the classic, authorised translations of Rudolf Steiner's four fundamental works. Each volume of this series is printed in a limited edition of 1,000 copies and sewn-bound in high-quality cloth, finished with coloured end-papers and a marker ribbon. Given his energetic involvement in practical initiatives and extensive lecturing, Rudolf Steiner had little time to write books. Of those he did write - belonging almost entirely to the earlier years of his work - four titles form an indispensable introduction to his later teaching: Knowledge of the Higher Worlds, Occult Science, The Philosophy of Freedom and Theosophy. Rudolf Steiner's fundamental handbook for spiritual and personal development has grown more modern as time has passed, although his methods remain clearly distinguishable from the many others now in circulation. For one thing, Steiner's path of spiritual growth is based on the clarity of thought normally associated with scientific research. Rather than denying clear thinking, his aim is to extend it beyond its present limitations. Secondly, Steiner recognizes - as in all genuine disciplines - that the path to spiritual experience is an arduous and dangerous one, calling for self-control in thought, word and deed. Human beings comprise a unity, and we cannot develop knowledge without a corresponding development in feeling and will. Rudolf Steiner foretold that humanity would begin to experience a longing for forms of experience that transcend intellectual, materialistic thinking. More than 100 years after the first publication of this book in 1904, there are countless means to achieve such experience, such as eastern meditation, channelling, remote viewing and astral projection. In addition, there has been a...
