Muhammad s was a life of almost unparalleled historical importance; yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In *The First Muslim*, Lesley Hazleton brings him vibrantly to life. Drawing on early eyewitness sources and on history, politics, religion, and psychology, she renders him as a man in full, in all his complexity and vitality. Hazleton s account follows the arc of Muhammad s rise from powerlessness to power, from anonymity to renown, from insignificance to lasting significance. How did a child shunted to the margins end up revolutionizing his world? How did a merchant come to challenge the established order with a new vision of social justice? How did the pariah hounded out of Mecca turn exile into a new and victorious beginning? How did the outsider become the ultimate insider? Impeccably researched and thrillingly readable, Hazleton s narrative creates vivid insight into a man navigating between idealism and pragmatism, faith and politics, non-violence and violence, rejection and acclaim. *The First Muslim* illuminates not only an immensely significant figure but his lastingly relevant legacy.
