

The Book of Pontiffs of the Church of Ravenna: Agnellus of Ravenna

By Agnellus

Catholic University of America Press. Paperback. Book Condition: New. Paperback. 385 pages. Dimensions: 8.6in. x 5.5in. x 1.0in. Agnellus Liber pontificalis ecclesiae Ravennatis (Book of Pontiffs of the Church of Ravenna), written in the ninth century, is an essential source for the study of Italian history from the fourth to the ninth centuries. Agnellus seems to have been a well-born priest in the church of Ravenna, and his work is strongly colored by his personal experiences. He wrote the book to demonstrate two strongly-held opinions. One was the apostolicity and independence of the Ravennate archbishopric; the other was the moral decline of recent bishops and their erosion of clerical rights. Using the framework of a series of biographies of the bishops of his see, Agnellus presents his highly idiosyncratic view of history. The work is filled with anecdotes, miracle stories, and mini-sermons, as well as information about historical events and artistic and architectural patronage, all of which have made it an invaluable source for those interested in early medieval Italy. Ravenna's heyday was in the fifth through eighth centuries, when it was the capital first of the western Roman empire, then of the kingdom of the Ostrogoths, and finally of the...
