Reviews

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

CROSSING WITH THE VIRGIN: STORIES FROM THE MIGRANT TRAIL (PAPERBACK)

University of Arizona Press, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Over the past ten years, more than 4,000 people have died while crossing the Arizona desert to find jobs, join families, or start new lives. Other migrants tell of the corpses they pass bodies that are never recovered or counted. Crossing With the Virgin collects stories heard from migrants about these treacherous treks firsthand accounts told to volunteers for the Samaritans, a humanitarian group that seeks to prevent such unnecessary deaths by providing these travelers with medical aid, water, and food. Other books have dealt with border crossing; this is the first to share stories of immigrant suffering at its worst told by migrants encountered on desert trails. The Samaritans write about their encounters to show what takes place on a daily basis along the border: confrontations with Border Patrol agents at checkpoints reminiscent of wartime; children who die in their parents desperate bid to reunite families; migrants terrorized by bandits; and hovering ghost-like above nearly every crossing, the ever-present threat of death. These thirty-nine stories are about the migrants, but they also tell how each individual author became involved with this work. As such, they offer not only a window into the migrants plight but also a look at the challenges faced by volunteers in sometimes compromising situations and at their own humanizing process. Crossing With the Virgin raises important questions about underlying assumptions and basic operations of border enforcement, helping readers see past political positions to view migrants as human beings. It will touch your heart as surely as it reassures you that there are people who still care about their fellow man.
