

Understanding Ethics (4th Revised edition)

By Noel Preston

Federation Press. Paperback. Book Condition: new. BRAND NEW, Understanding Ethics (4th Revised edition), Noel Preston, We encounter ethical challenges on a day to day basis in matters that involve what we call ethical values. Some of these challenges affect us as individuals but seem beyond our power to influence, such as a political decision about whether our nation should go to war. Other momentous ethical questions confront us in particular situations, such as when a road accident leaves a loved one brain damaged and medical practitioners seek our permission to turn off life support. Understanding Ethics introduces the frameworks of moral philosophy to analyse contemporary moral issues and perennial human dilemmas. While the early chapters of ethical theory remain substantially the same, the rest of the book is expanded with updated references, new case studies and an improved index. The new edition examines particular issues which reflect many of the social, scientific and cultural changes of the last decade, especially in an Australian context. Understanding Ethics is constructed in three sections. Part A introduces the nature, language and frameworks of ethics concluding with a chapter on ethical decision-making. Part B explores topical applied ethics issues of interpersonal and social significance...
