Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

THE RISE OF ISLAM

Grin Verlag Okt 2009, 2009. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Titel. - Research Paper from the year 2009 in the subject Theology - Historic Theology, Ecclesiastical History, grade: A-, Prairie Bible Institute, course: History of the Growth of Christianity, language: English, abstract: Muhammad ibn Abdullah, the last prophet and founder of Islam, is one of the most influential people who walked on this earth. By the time of the prophet s death at the age of sixty-two he had brought into existence a dynamic movement that would carry Islam through the centuries and across the continents, birthing empires, transforming the sciences, and challenging economic, cultural, and political systems. Considering the religion of Islam, one may wonder who this Muhammad, the last prophet, was and how his instructions were shaped by the cultural, economical, social and religious environment in which he lived. The other questions that may rise are how this small movement could become within centuries the dominant religion of the Mediterranean, and why Christianity was not able to stop it. This essay will propose that it was due to the lack of unity among Christians on the one hand and on the other hand to Muhammad` s attractive instructions about brotherhood and solidarity among his followers, fervour, faith, simplicity of Islam, moral values, and the use of the sword that Islam augmented so rapidly and displaced Christianity. 28 pp. Englisch.
