Independent Publisher, United States, 2010. Paperback. Book Condition: New. 259 x 257 mm. Language: English . Brand New Book. t s a story that will make you feel right at home. It began just over a decade ago when Mar Jennings, banker turned author and lifestyle expert, bought a three-story colonial townhouse, becoming the foundation on which his creativity and passion for design began to sprout. The interior design and color theme brings the gardens inside, as if mother nature intended it that way. The outdoor offers endless opportunities for entertaining and social gatherings. Now back to the garage, where his design passion first began. Fittingly, it was redesigned as a garden studio in 2002, and is stocked meticulously with the usual outdoor essentials-terra cotta, fresh-cut flowers, potted plants, tools and gardening reference books.
