Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book will show you a metaphorical approach to writing poetry. M.C. Behnke is not a fan of modern poetry which is predictable and boring. He believes metaphors are a puzzle with many different pieces placed together to solve a hidden meaning. This is what poetry is all about. Whether you are a novice poet or an experienced writer looking for a different viewpoint, Metaphorical Thymes provides ways to write from both an intellectual and psychological perspective. This book of poems takes the reader on a psychological journey with The red series and an intuitive twist with History of Man Series, which is a metaphorical look at the Holocaust. The book ends with a poem by his profound late brother Brian who has a degree in English Literature from the University of Illinois, Chicago. Buy it today!.
