

Rajiv Gandhi- The flight of the Scion

By Benny Aguiar

Times Group Books, New Delhi, India, 2011. Softcover. Book Condition: New. First Edition. An accidental in politics, Rajiv Gandhi took the nation by storm with his vision of information technology. He adopted Gandhian swaraj by espousing grass roots democracy. On the flip side, Rajiv proved a poor judge of the company he kept. His minister VP Singh deserted him on the Bofors kickback issue. A whole lot of other colleagues in his cabinet abandoned him before the 1989 elections. He was also impatient for peace, signing accords in rapid succession with the respective secessionist groups of Mizoram, Assam and Punjab, and going on to persuade Sri Lanka to allow the deployment of Indian Peace Keeping Force in its territory. India and Rajiv too had to pay a heavy price for this last accord. In Rajiv Gandhi's assassination, the country lost a great leader. No doubt he made some mistakes, but he also had the uncanny ability to learn from them. What would have been the fate of the nation if Rajiv Gandhi were living? It is for the reader to draw this conclusion. Printed Pages: 163.

Reviews

An extremely wonderful book with lucid and perfect information. It is one of the most awesome publication i have read. Your life period will probably be enhance the instant you total looking at this pdf.

-- Prof. Dan Windler MD

It is really an amazing publication i actually have at any time read. It is really simplistic but unexpected situations inside the 50 percent of your pdf. Its been written in an exceptionally simple way in fact it is just right after i finished reading this ebook where actually transformed me, alter the way i really believe.
