Reviews

*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Dario Murazik IV)*

THE TIMES CODEWORD: BK. 1

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Times Codeword: Bk. 1, The Times Mind Games, An utterly addictive puzzle, Codeword is an enormously popular feature of Times2. This cracker of a puzzle is the perfect alternative to knowledge-based crosswords (you either know it or you don't, right?) and number-crunching Su Dokus. In this compelling collection of 150 brand-new Codewords, which for the first time ever are ranked in increasing levels of difficulty, you can really wrestle with your word power and test your logic to the max. The concept is simple. Each number represents a letter, so, starting with the solved letters, use your logic and vocabulary to reveal more letters, form words, and then crack the code!.
