Dept. of Veterans Affairs, Office of Inspector General, Office of Healthcare Inspections, 2009 OCLC Number: (OCoLC)319638595 Subject: Veterans hospitals -- Evaluation. Excerpt: . . . Combined Assessment Program Review of the Atlanta VA Medical Center, Decatur, Georgia medications in accordance with local policy requirements. We reviewed the Bar Code Medication Administration records of 46 patients who were hospitalized in selected units at the time of our visit. For each patient, we reviewed documentation for several doses of pain medication. Nurses documented pain medication effectiveness within the required timeframe of 4 hours for only 164 (58 percent) of the 284 doses of pain medication. We recommended that the VISN Director ensure that the Recommendation 10 Medical Center Director requires that nurses consistently document the effectiveness of all pain medications within the required timeframe of the local policy. The VISN and Medical Center Directors concurred with our findings and recommendation. Nursing Service has implemented a process to ensure timely documentation of pain medication effectiveness. Nurse managers are monitoring for compliance. We find these action plans appropriate and will follow up on reported implementation actions to ensure completion. The purpose of this review was to evaluate whether VHA Emergency Urgent facility E UC operations complied with VHA guidelines Care Operations related to hours of operation, clinical capability (including management of patients with acute mental health conditions and patients transferred to other facilities), staffing adequacy, and staff competency. In addition, we inspected the medical centers ED for cleanliness and safety. The ED is located within the main hospital building and is open 24 hours per day, 7 days per week. The emergency services provided are within the medical centers...
