A LETTER TO A CLERGYMAN IN LONDON ON THE THEOLOGICAL CHARACTER OF DR. HAMPDEN S BAMPTON LECTURES: AND THE EXTENT AND VALUE OF SUBSEQUENT QUALIFICATIONS OF THEIR MEANING (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Letter to a Clergyman in London on the Theological Character of Dr. Hampden s Bampton Lectures: And the Extent and Value of Subsequent Qualifications of Their Meaning My Dear Sir, You ask my opinion respecting the published theological statements of Dr. Hampden; whether I see in them any express contradiction to the faith maintained by the Church; and, if so, whether the statements that appear to be thus contradictory, may be considered as retracted or explained, or at least neutralized, by more correct expositions of sentiment put forth either at the same time or subsequently, by their author. You justly remark that recent events attach an unusual interest to these questions: I will therefore state any views of them as fully and as concisely as I am able. Before these events, I had some acquaintance, though but a slight one, with the Bampton Lectures of 1832, on the Scholastic Philosophy: but I have since read them more carefully, with their Notes, in the second edition of 1837, together with what I had never perused before, the large explanatory Introduction prefixed by the author, then Regius Professor at Oxford, to that edition: I have also perused the more recent self-vindication contained in the published letter of December 9, 1847, to Lord John Russell. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
