

## Covenantal Apologetics: Principles and Practice in Defense of Our Faith

By Oliphint, K. Scott

Crossway, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A major undertaking in Christian apologetics, this volume makes a most timely and welcome contribution. By labeling the apologetic task "covenantal," Scott Oliphint highlights throughout that the presuppositions of "presuppositional apologetics" are the clear and indubitable teachings of Scripture and not a postmodern understanding of presuppositions. Comprehensive in its scope, this balanced mix of principles and practice provides valuable instruction to a broad range of readers. I commend it most highly, especially to those concerned with responding to the challenges of unbelief, both present and perennial, in growing fidelity to Scripture as God's Word." --Richard B. Gaffin Jr., Professor of Biblical and Systematic Theology, Emeritus, Westminster Theological Seminary "In a day marked by shallow thinking, weak reasoning, and arguments lacking in both theological and biblical depth, Oliphint offers an arsenal of apologetic insight. His affirmation and exposition of a covenantal apologetic brings a vital biblical and theological dimension to the apologetic task. Believers seeking to give an answer for the hope that is in us will enthusiastically receive this book." --R. Albert Mohler Jr., President and Joseph Emerson Brown Professor of Christian Theology, The...
