Reviews

I just started off reading this article ebook. It is actually written in basic words and not confusing. I am just very happy to let you know that this is the best ebook I actually have read through inside my individual daily life and can be the finest ebook for possibly.

(Dayne Johns)

WILD COW TALES

Bison Books. Paperback. Book Condition: New. Paperback. 306 pages. In thirteen stories full of rope burns and brush scratches, the author of the classic Horse Tradin tells of the days when he made a specialty of catching wild cows. Ben K. Green calls himself a stove-up old cowboy, and readers of this book will learn soon enough where the broken bones came from. Green tells of his adventures with wild steers, sharing with readers the years he worked in thorny brush and canyon country delivering those animals that were too wily or too wild for the normal roundup. Finding them was hard, even dangerous, work. Few cowboys looked for such chores. Green declares, I got real good at it, but of course in those days I didnt know any better. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
