Brand New Book ***** Print on Demand *****.Purposeful Prosperity: When You Want Your Life to Matter You Don't Need to be Stopped in Making a Difference You want your life to matter, to be able to make a difference. Oh, you may not want to change the world (or you might) but for sure you want to be able to contribute to those around you, and to enjoy all that life has to offer. In other words, not enoughness seems to show up everywhere you turn. Not enough money, not enough time, and sometimes the worst of all, you don't seem to be enough. You're either not smart enough, talented enough, or capable enough in some way to fulfill your dreams. So, to try to compensate you work harder, either by working more hours at your current job, or taking on a second or in some cases even a third job....
