In this fairy tale with a twist, it hasn't rained in days and the king has dictated that something must be done - his royal pinky is getting stinky! With a little magic from a wizard, young Jack, paired with his pea pod pal, will find a GIANT reason as to why there's no water left in the kingdom and prove that size doesn't prevent anyone from doing something BIG. A fractured fairy tale from William Joyce and Moonbot Studios, the masterminds who brought you The Fantastic Flying Books of Mr. Morris Lessmore.
