SPIRIT TALK (PAPERBACK)

Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Never forget, we are sacred beings. We all seek power. We all want happiness. There is no shame or blame in serving our own highest good first and in recognizing that the highest good functions best when it is in healthy and balanced relationship with the Creator. Spirit Talk speaks to us of the first gifts of life and breath bequeathed to us from the Creator. These gifts, life and breath, upon our beautiful Mother Earth and Father Sky-Sun, guide and inform the reader's life and breath through a twelve-month calendar cycle. Keen observation of the calendar and seasonal cycles guides the reader through the highest of creative intelligence cycles-those of the ancient, earth-based Medicine Wheel Teachings. These wisdom cycles inform, anchor, and empower core creative principles of connected love, balance, and harmony. A balanced and harmonious relationship with the Creator serves to put an end to painful perceptions of separation with the self and, most importantly, the Creator. The dedication of time and the making of seasonally focused spirit talks with the Medicine Wheel will inform and foster an environment of shared respect and connection with oneself and with all living things. We no longer sit alone but are alive and active in a living world. The old people say, It's not whether you will do it, but whether you will remember to do it. Spirit Talk helps us to remember and to do in a good way.
