New Generation Publishing, United Kingdom, 2005. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.For years people have been looking for news of an effective treatment for M.E./Chronic Fatigue Syndrome and Fibromyalgia. At last, here is the book they have been waiting for. Reverse Therapy is the radical new Bodymind healing process that has taken the UK by storm, bringing relief to hundreds of sufferers from these conditions since it was first offered to the General Public in 2003. Dr. John Eaton has now written this short book in order to explain Reverse Therapy in simple terms, accessible to the general reader. He describes how he evolved the ideas for Reverse Therapy and the underlying treatment process. Other chapters explain the nature of these illnesses and what exactly causes the symptoms. Then John goes on to describe how Reverse Therapy works and what sufferers can do to get well again. This may well be the first and last book anyone will need to buy in order to understand M.E./CFS and Fibromyalgia, and find the way to their cure.
