## WHAT GOD CANT DO

Paperback. Book Condition: New. Paperback. 107 pages. God is looking for a few good partners; working partners. No relationship works for long if one partner does all the asking, and the other does all the work. Yet look at how that attitude saturates our prayers. God could easily run the World without us, yet He has chosen to rely on us to do our part. Pastor Jerry L. Lewis tells us that each prayer request actually has two parts: the part God works on, and the part we are responsible for as His assistants. What God Cant Do sheds new light on our relationship with God and exposes how many of our commonly held beliefs about Him actually hinder our prayers. Pastor Jerry also focuses on the types of questions we ask God. He points out that it is just as easy to make a dynamic prayer request as it is to make a flat one. Most of the things we pray about can be easily re-worded for exponentially better results with just a little thought. For example, some folks decide to pray for patience, but patience is learned by trial and tribulation. Did they just paint a bulls-eye on the top of their heads Maybe. They could have instead asked, Lord, keep me so closely focused on you that I dont get distracted by negative people and unimportant events. Written in a light-hearted, easy to read style, Pastor Jerry presents unique and original insights into Gods purpose and design in our lives. He shares from his heart the secret of happiness, and shows how most of our sickness, frustration, and relationship problems ultimately have a hidden spiritual root cause that can be readily discovered and addressed. Other topics include: hands-on prayers that work for physical healing, Forgiveness 101, exploring...
