CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 80 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Are You and Your Family Ready to Survive the Next Disaster Power Outages. Blizzards. Floods. Mudslides. Earthquakes. Tornadoes. Hurricanes. No matter where you live, you are in a natural disaster prone area. There are natural disasters on an almost daily basis all around the world. Not to mention man-made disasters. There are threats of wars, terrorist attacks and jokes about zombies taking over. The world economy is crumbling and if the disaster of Hurricane Katrina taught us anything, its that we cant really depend on the government to help us. If you are interested in learning how to protect your family from any and all of the inevitable disasters that could potentially happen, this book is your first step to learning how to help your children prepare for any emergency situation. In Prepping with Children, youll learn such important things as: - How to Explain the Why and How of prepping to your children. - Which survival skills are most important for children to learn. - How to build a Bug Out Bag specifically for children. - How to make prepping fun and how to get the most out of it. - Much, much more! Even if a doomsday-like event never comes, your children will someday thank you for teaching them these important life skills and spending quality time with them. From toddler to teen, prepping can be a rewarding family experience. Praise for Robert Paines books: This book is a good starting point on the things you need to think about, the things you need to have on hand to bring with you, and the situations you might run into on the road that are quite different...
