BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. From the acclaimed author of *The Whiskey Rebels* and *A Conspiracy of Paper* comes a superb historical thriller set in the splendor and squalor of eighteenth-century London. In Benjamin Weaver, David Liss has created one of fiction s most enthralling characters. The year is 1722. Ruffian for hire, ex-boxer, and master of disguise, Weaver finds himself caught in a deadly game of cat and mouse, pitted against Jerome Cobb, a wealthy and mysterious schemer who needs Weaver s strength and guile for his own treacherous plans. Weaver is blackmailed into stealing documents from England s most heavily guarded estate, the headquarters of the ruthless British East India Company, but the theft of corporate secrets is only the first move in a daring conspiracy within the eighteenth century s most powerful corporation. To save his friends and family from Cobb s reach, Weaver must infiltrate the Company, navigate its warring factions, and uncover a secret plot of corporate rivals, foreign spies, and government operatives. With the security of the nation at stake, Weaver will find himself in a labyrinth of hidden agendas, daring enemies, and unexpected allies. With the explosive action and scrupulous period research that are David Liss s trademarks, *The Devil s Company*, depicting the birth of the modern corporation, is the most impressive achievement yet from an author who continues to set ever higher standards for historical suspense.
