Brand New Book ***** Print on Demand *****.The growing interest in the training of the speaking and singing voice which the general public has of late shown, would ensure any good text-book on the subject a hearty welcome. It is, therefore, with pleasure we call the attention of our readers to the this edition of Mr. Lunn s treatise on the voice. So much new matter has been added to the volume that in a sense it may be called a new book. To the profession, teacher and pupil, it should prove of great value, treating as it does subjects of importance and interest, and offering solutions to questions that have long been awaiting them. To all who are obliged to speak or sing much it will be of service. Voice production affects the pulpit, the platform, and the stage; the principles of restoration should be known to every National School teacher throughout the kingdom, and especially should they be known to every medical practitioner, for voice production embraces a far wider sphere than music, and penetrates where the latter never enters. br> This thought must frequently have occurred to many. Have the medical profession taken a full advantage of the preventive and curative qualities of voice culture with regard to diseases of the chest? Further, Is there not some need for legislation, when in the School Board Chronicle for March 3, 1900, we read, that there were in London alone 1,800 out of 3,000 teachers suffering from School Board laryngitis? Is this satisfactory either for the teacher or pupil? Moreover, some restraint is surely needed to check unqualified and incompetent people from practicing at the expense of their pupils, as serious damage to the...
