Royal Commission on the Ancient & Historical Monuments of Scotland. Paperback. Book Condition: new. BRAND NEW, **Wanderings with a Camera in Scotland: The Photography of Erskine Beveridge**, Lesley M. Ferguson, A new, paperback edition of the bestselling Scottish photographic book. In the early 1960s, in the course of recording a Dunfermline mill building that was scheduled for demolition, RCAHMS surveyors discovered an incredible collection of over 800 glass plate negatives. Taken between 1880 and 1919, the photographs are a remarkable record of a bygone era, ranging from black houses in the Western Isles and Highland crofts in the shadow of Ben Nevis, to remote castles in Argyll and busy harbour views in Fife. The photographs are the work of Erskine Beveridge (1851-1920), a wealthy Dunfermline industrialist - and enthusiastic historian and archaeologist - who would become one of the finest amateur photographers of his generation. Fascinated by landscapes, boats, buildings and archaeological monuments, Beveridge's images are not just fine, well composed representations of their subjects, but also convey a sense of what made Scotland's places meaningful to him. With a biographical introduction by RCAHMS Head of Collections Lesley Ferguson, this stunning volume highlights one of the nation's earliest and most remarkable photographic collections.
